

2019 Fees and Charges

Karting Australia New South Wales (Australia's newest Karting Australia (KA) affiliated State Karting Association) offers our Member Clubs and Competitors, approved and insured racing and social karting activities in a low-cost environment that has not been seen in New South Wales for many years.

Our low-overhead structure allows us to offer the same quality KA insurance, national sanctioning and licenses that are accepted at all affiliated Clubs in all Australian States, that NSW karters have always enjoyed but at significantly lower costs to our member Clubs and competitors.

David Laughton

President
KA (NSW) Inc.
